

EZK
TRANSPORT

Excellence in transit

*Excellence in transit*

Our customers are the heart of EZK Transport. Maintaining our high levels of service excellence is of utmost importance to both us and our clients as we preserve our recognition as one of the most professional businesses in the local and cross border road freight industry.

We place great emphasis on establishing open and honest long-term relationships with our customers, based on respect, a real understanding of your business processes and the importance of efficient, on-time delivery.

Our Reach

We run a variety of road freight logistics services throughout South Africa, Zimbabwe, Zambia, Malawi, DRC, Mozambique and Botswana with reliable support infrastructure in Johannesburg, Beitbridge, Harare, Blantyre, Maputo and Lusaka.

Accredited African Excellence

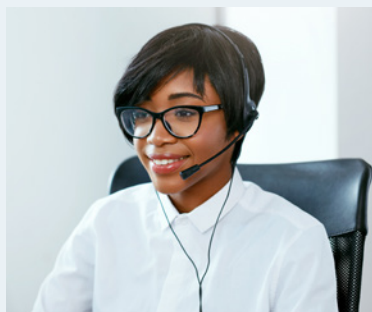

EZK Transport is a well established, SQAS Accredited company. Our group of managers have been in the transport industry for the past 15 years. We have agents and depots in every country we service, ensuring that our vehicles stop for trip and driver checks. EZK Transport is a Level 1 BBBEE contributor with 30% Black Woman Ownership.

We are based in Johannesburg, RSA with depots in Harare, Blantyre, Lilongwe and Lusaka, as well as strategic partners in cities in South Africa and countries throughout Africa. Our partners are all specialists in their fields, enabling us to provide the best service possible to our customers.

The management and staff are continuously trained to maintain our high service levels. We are geared to provide efficient and excellent service.

Our Quality Policy

EZK Transport is recognized as being one of the most professional transport service providers in the road freight industry. The management team and all employees will always have the customers best interest at heart.

Customers set very high standards for the transport of their products and we make it our business priority to meet them.

- ✓ Safety and efficiency are of utmost importance to both the customer and our company
- ✓ A healthy and continuous working relationship
- ✓ Smooth operations
- ✓ Efficient service levels
- ✓ Low level delays
- ✓ Open lines of communication are maintained between operational staff and management who in turn maintain close client contact, thus ensuring high service levels.

Our Vision

Our vision is to take care of your total distribution needs and become an active partner in your quest to reduce risk and increase efficiency, leading to an increase in your profitability. It is our intention to supply you with service excellence and strong business relationship.

Core Values

- ✓ Quality
